Have you registered at your Catchment-area School? Yes No

Have you applied at any other schools? Yes No *If Yes, please list all below:*
School Name City/School District

Please read information on page 2; a signature is required before the form can be accepted.

Information about Out-of-Catchment/Out-of District Applications

If space and facilities allow, applicants will be offered registration after June 15, in the following order:

1. In-catchment students who attended the previous year, but did not complete the previous year.
2. New in-catchment students, who have applied by June 15, based on the date of application, with siblings of students already at the school accepted first.
3. New out-of-catchment students who have applied by March 31, based on the date of application, with siblings of students already at the school accepted first.
4. New out-of-district students who have applied by March 31, based on the date of application, with siblings of students already at the school accepted first.

Applicants will be advised of the decision, usually no later than June 30. Applications for out-of-catchment and out-of-district attendance will be valid until September 30, 2011. After that date, the school will accept applications for mid-year transfers.

Parents/guardians have the responsibility to provide transportation for students to and from the requested school if the transfer is approved.

Parents and students should be aware that when a secondary student transfers to a different school, he or she may be ineligible to play inter-school sports. B.C. School Sports determines eligibility of students to participate in inter-school athletics.

Note:

Out-of-district students who are continuing in the same school, and who re-apply by March 31, 2011, are normally entitled to remain as continuing students at that school.

For more information, please contact the office of the school to which you are applying.

Parent/Guardian Signature

Student Signature (required for secondary school)

I have read the information about School District 68 guidelines. I understand that once I accept a space at one school, I must remove my name from all other wait lists and that if I do not do so, I may lose my Out-of-Catchment/Out-of-District enrolment.

The personal information on this form is provided to School District 68 (Nanaimo-Ladysmith) for the purpose of determining eligibility for Out-of-Catchment/Out-of-District attendance. School District 68 may contact my current school and other schools to which I have applied about this application.
